§ 107.1240

\$5,000. SBA, in its discretion, may determine a minimum dollar amount for draws against SBA's Leverage commitments. Any such minimum amounts will be published in Notices in the FEDERAL REGISTER from time to time.

(c) *Effect of regulatory violations on Licensee's eligibility for draws*—(1) *General rule.* You are eligible to make a draw against SBA's Leverage commitment only if you are in compliance with all applicable provisions of the Act and SBA regulations (i.e., no unresolved statutory or regulatory violations).

(2) *Exception to general rule.* If you are not in compliance, you may still be eligible for draws if:

(i) SBA determines that your outstanding violations are of non-substantive provisions of the Act or regulations and that you have not repeatedly violated any non-substantive provisions; or

(ii) You have agreed with SBA on a course of action to resolve your violations and such agreement does not prevent you from issuing Leverage.

(d) *Procedures for funding draws.* You may request a draw at any time during the term of the commitment. With each request, submit the following documentation:

(1) If your request is submitted within 30 days following the close of your fiscal quarter, a Financial Statement on SBA Form 468 (Short Form) prepared as of the close of that fiscal quarter; otherwise, a statement certifying that there has been no material adverse change in your financial condition since your last filing of SBA Form 468 (Long or Short Form).

(2) A statement certifying that to the best of your knowledge and belief, you are in compliance with all provisions of the Act and SBA regulations (i.e., no unresolved regulatory or statutory violations), or a statement listing any specific violations you are aware of. Either statement must be executed by one of the following:

(i) An officer of the Licensee;
(ii) An officer of a corporate general partner of the Licensee; or
(iii) An individual who is authorized to act as or for a general partner of the Licensee.

(3) A statement that the proceeds are needed to fund one or more particular

Small Businesses. If required by SBA, the statement must include the name and address of each Small Business, and the amount and anticipated closing date of each proposed Financing.

(e) *Reporting requirements after drawing funds.* (1) Within 30 calendar days after the actual closing date of each Financing funded with the proceeds of your draw, you must file an SBA Form 1031 confirming the closing of the transaction.

(2) If SBA required you to provide information concerning a specific planned Financing under paragraph (d)(3) of this section, and such Financing has not closed within 60 calendar days after the anticipated closing date, you must give SBA a written explanation of the failure to close.

(3) If you do not comply with this paragraph (e), you will not be eligible for additional draws. SBA may also determine that you are not in compliance with the terms of your Leverage under §§ 107.1810 or 107.1820.

§ 107.1240 Funding of Licensee's draw request through sale to short-term investor.

(a) *Licensee's authorization of SBA to arrange sale of securities to short-term investor.* By submitting a request for a draw of Debenture or Participating Security Leverage, you authorize SBA, or any agent or trustee SBA designates, to enter into any agreements (and to bind you to such agreements) necessary to accomplish:

(1) The sale of your Debenture or Participating Security to a short-term investor at a rate that may be different from the Trust Certificate Rate which will be established at the time of the pooling of your security;

(2) The purchase of your security from the short-term investor, either by you or on your behalf; and

(3) The pooling of your security with other securities with the same maturity date.

(b) *Sale of Debentures to a short-term investor.* If SBA sells your Debenture to a short-term investor:

(1) The sale price will be the face amount.

§ 107.1400

(2) At the next scheduled date for the sale of Debenture Trust Certificates, whether or not the sale actually occurs, you must pay interest to the short-term investor for the short-term period. If the actual sale of Trust Certificates takes place after the scheduled date, you must pay the short-term investor interest from the scheduled sale date to the actual sale date. This additional interest is due on the actual sale date.

(3) Failure to pay the interest constitutes noncompliance with the terms of your Leverage (see § 107.1810).

(c) *Sale of Participating Securities to a short-term investor.* If SBA sells your Participating Security to a short-term investor, the sale price will be the face amount.

(d) *Licensee's right to repurchase its Debentures before pooling.* You may repurchase your Debentures from the short-term investor before they are pooled. To do so, you must:

(1) Give SBA written notice at least 10 days before the cut-off date for the pool in which your Debenture is to be included; and

(2) Pay the face amount of the Debenture, plus interest, to the short-term investor.
